

ROUTE 6: 0,5 kilometers to the south-east of CESKY HERSLAK
(1 kilometer to the south-east of HOLNY DVORISTE)

- start: parking area in the south-east of CESKY HERSLAK
- distance: approx. 2,5 kilometers, (1 km to the border, another 1,5 km to a pick-up-point)
- walking_time: allow a minimum of 1 hour 15 minutes
- termination: a clearing in the west of KERSCHBAUMER Sttl.
(1,5 kilometers in the west of KERSCHBAUM)

follow the road through Cesky Heršlák /// after the train-underpass is a parking area /// follow the gravel road at the east end of the parking area /// take the right turn /// take another right turn /// follow the road /// at the clearing take the right junction /// follow it along the edge of the forest /// after 100 meters you should follow the edge of the forest from inside the forest /// you come to a carriage road /// follow it to the left /// after 30 meters you can see a brook to your right /// cross the brook (it is the border to Austria) /// follow the brook upwards /// after about 100 meters you can see at your right hand side a carriage road /// follow the carriage road to your left /// take the first junction at your right /// at the clearing take the left junction /// follow the right bend /// when you go into the forest again take the right junction /// take the next junction to your right /// you come to a clearing (this could be a perfect pick-up-point)

Please be sure to read the "General Tips for Refugees" carefully!

follow the junction to the right (after 100m follow the road from inside the forrest)

this clearing at the end of the track could be a perfect pickup-point
